

## Extended Warranty & Total Care Warranty Programs

Get the best performance and productivity from your Somero® Equipment!

Perform all of the "non-routine" maintenance on the machine.  
Repair small items immediately to avoid major breakdowns later.

Insure your operators are fully trained.  
Take inventory and suggest restock of any depleted emergency spare parts.

The Somero® Annual Service Agreement will Help You Meet All of the Objectives.

The service agreement provides for:

Two days of on-site service or maintenance work annually with reduced rates for traveling to the customer. Also, a reduced labor rate for additional work performed. An inspection of all your Somero® machines when customer service rep is on-site with a follow up report to alert you to any required repairs or maintenance to your fleet. Unlimited free training at our Florida facility so operators can come for as much training as needed. A 15% discount on part purchases along with UPS standard or truck freight shipping making it easier for you to keep your emergency spare parts kit complete.

The Annual Service Agreement is intended to provide a reduced overall cost when customers take advantage of all services. You benefit by lowering your cost of ownership. You also benefit with better performance and productivity from highly trained operators and machines that are in top running condition.
