

# S-22E

**SOMERO**  
ENTERPRISES

*We Are Passionate About Your Success!*

## We make it simple for you!

Somero Enterprises® is the industry leader for innovative and productive concrete placing and leveling solutions.

Our products make the concrete contractor more efficient, more productive, and more profitable.

Now we make it simple by giving the contractor even more control and options than ever before. By having the option to build your laser screed® model your way, you can:

- Choose head size.
- Choose from over several options.
- Or simply choose the Base machine features.

Combining the best features of the past 28 years with new advancements to create the most technologically advanced Laser Screed® model ever built!

Somero Enterprises presents the

**S-22E Laser Screed® Model.**
