

PowerRake® 3

**Powerful
Manuverable
Fast**

The PowerRake® 3 is the only raking tool you'll ever need!

Designed with Somero ingenuity, the new and improved PowerRake® takes the grunt work out of placing concrete or grading fine-granular materials by putting you on this 4-wheel drive, hydraulic powered concrete grading machine.

More power, more speed, and more manuverability means less time, less manual labor and gets you off the jobsite faster every day.

Put the PowerRake® 3 on your job and see for yourself!

Faster. Flatter. Fewer.®
